

Instructions:

1. Print and laminate the sound cars.
2. Print one copy of the car park per child and laminate.
3. Place all of the cars face-down on the table. Children take it in turns to turn over a car. If they can say the sound, they can put it in their car park.
4. As an extension, challenge the child to say a word containing that sound.
5. The winner is the child who ends up with the most cars in their car park.
