

I can spell /ai/ using ei, eig, eigh, ey, a ,ea and aigh

Print out the bingo cards below and give each child a card with different ways of making the /ai/ sound on it.

If a word comes up with the letters in one of the squares, children should write the word in that square. The first person to complete their whole board and shout BINGO is the winner.

Use the PowerPoint to display the words. Alternatively here is a list of the words to write up on the board:

apron, weight, vein, reign, eight, station, acorn, straight, potato, basic, great, steak, prey, obey, alien, grey, beige, veil, reindeer, fatal, neighbour, sleigh, break
