

## Combe Hay locks

You have ten minutes to write five sentences using the image below.

Remember to use capital letters and full stops but also try to include adjectives and adverbs. Think about the different features you can include in your sentences to make them complex sentences. To help you come up with ideas, you could use the following question prompts:

Who...? What...? When...?  
Where...? Why...? How...?

For example, you could ask yourself the question: 'Where are the boats?'

Your sentence could answer the question:

The photograph shows the remains of an old, disused canal.
