## Real or fake?

We are going to make a silly stew! Write one FAKE word on each vegetable in the stew pot. Write the **real** words in the bin!

grew	lew	screw
plew	few	gew
new	krew	chew

**Teaching notes****Instructions**

Print, cut out and laminate one pot per child and one set of stew vegetable cards per pair. Children take a pot each. All the stew vegetable cards should be placed face down on the table. Children take turns to flip over a card and read the word. If it is on your pot, you can keep it. If it is not, place it back face down on the table. The winner is the first to fill their pot.

**Other ideas**

Use the word cards to sing the 'silly soup' song to the tune of 'Pop goes the weasel'. Using a real pot, sing the song together and ask a child to pick a card. The child then reads the ingredient and puts it into the soup pot. They then stir the soup whilst everyone sings, ending each time by reciting all the words that have gone into the pot so far.
