

Teaching notes

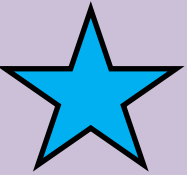

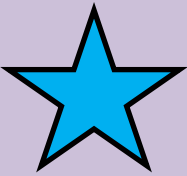

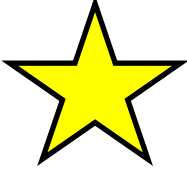

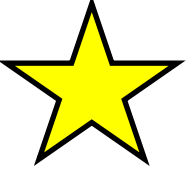

You will need (per group):

- A copy of the game board.
- A pile of cards
- A dice
- A back to back copy of the worksheet on pages 3 and 4 per pupil.
- 1 counter per player

NB - The game starts on the “Start here” square but is an infinite game board – to allow for children to continue playing as long as you like.

Instructions:

1. Start on the “Start here” square.
2. Player 1 rolls the dice and moves their counter. They must follow the instructions based on the colour they land on and fill in the worksheet.
3. Then Player 2 has a turn, and so on.
4. Keep playing until the teacher gives another instruction.
