

Name:

Date:.....

Instructions

Learning objectives:

- To discriminate between the 'ss' sound and other phonemes and graphemes.
- To read words containing the 'ss' phoneme and grapheme.

You will need...

- A partner.
- Some scissors.
- A dice.

Getting started

- Cut out and put your snake counter on the start square.
- Cut out the 'ss' words and put them in a pile with the words facing down.
- Roll the dice and carefully count the number of spots.
- Move your counter the correct number of spaces.
- If you land on a 'ss' square choose a word from the pile of cards.
- Read the word to your friend and then put the card back at the bottom of the pile.
- If you land on a different sound read the sound to your friend and move back two spaces.
- The winner is the first person to reach the finish square.
