Print the resource out **double-sided** so that the footballs all have either; words, a goal or a red card on the back.

Place footballs spread out on a table with the words face down.

Take turns to turn over a football, say the word and write it on your sheet. If you get a goal card have another turn, if you get a red card miss a turn.

### Extension:

Speed read! Choose a card and read it, if you're right keep it, if not put it back. Red card? Miss a turn. Goal card? have another turn. Take turns for 3 minutes, who has the most cards at the end?
