

Popcorn Game

Teaching notes

Play with a partner or in small groups.

Print the popcorn box template onto A3 card and build it.

Put all the popcorn words, pop and steal cards inside.

Start a five minute timer.

Take it in turns to pull a card out of the popcorn box.

If you pull out a word and can read it, you keep it. If you can't read it, put it back. If you pull out a 'pop' card all your cards have to go back in the box. If you get a 'steal' card you can steal a card from another player.

The person with the most cards after five minutes is the winner.

Extension task:

Lay all the word popcorns on the table face down. Choose one, turn it over, read it and write it on your sheet. Then replace it on the table.

cow

how

crown

down

bow

now

owl

vow

growl

howl

clown

frown

Extension task

Choose a card, read it and write it in one of the popcorn shapes.

Write sentences with your words.
