

Blending

Resources

- Letter cards (cut out)
- Picture cards (cut out)

Objective

- To recognise individual letters and sounds and blend them to make new words.

Instructions

- Lay the letter cards in a row, ensuring that the children can see all letters.
- Lay the picture cards face down.
- Pull down letter cards to make vc and cvc words, encouraging children to say the sounds and blend them to read the words.
- Children will enjoy turning over picture cards to try and find the matching picture.

Extension

- Use the letter cards to make 'nonsense' words.
- Children have all picture cards and use them to play 'bingo'.

Taking it further

- Laminate the cards and use them as an enhancement to the Reading Area.
- Model using the cards to parents, explaining the importance of developing blending skills. Send sets of cards home for children to play with their families.
